AZ INTERIORS TESTIMONIALS

What clients say about working with Alicia Zimnickas, AZ INTERIORS

“

"Alicia was a delight to work with and did a superb job for us, we cannot recommend her enough. She brought us fresh and interesting ideas for the spaces, and was very attentive to our desires and full of great suggestions for achieving what we wanted. We quickly got to an agreed design that we were happy with, and in a few cases she really went above and beyond in searching out furniture and light fittings to exactly achieve this vision."
