Joint Venture Partner

WMR Waste Solutions is a 50:50 joint venture with GRS Roadstone, which is part-owned by Tarmac. Through its five divisions, GRS Roadstone is the leading independent supplier of bulk transport, waste removal, and aggregates in Britain. It is also among the highest climbers in the Sunday Times' Top Track 250. This joint venture provides WMR Waste Solutions with further logistical expertise, management experience, and financial capability. This supports our business growth and enables us to deliver waste and recycling services to major UK businesses.

Accreditations & Policies
